

Carpooling pick-up order finder History changes of code
--

Member	Date	Done	Doing	To do
Yhoan and Sebastián	3/5/2019	Method to read file	making algorithm to search the furthest nodes	order finder method
Yhoan and Sebastián	4/4/2019	algorithm to search the furthest nodes	making order finder mehotd	write file method
Yhoan and Sebastián	4/6/2019	pre order finder method	making write file method	finish the order finder method
Yhoan and Sebastián	4/15/2019	write file method	improving order finder method	finish the order finder method
Yhoan and Sebastián	4/20/2019	write file method	improving order finder method	finish the order finder method
Yhoan and Sebastián	4/25/2019	order finder method	looking for ways to graph the data	get times and memory usage
Yhoan and Sebastián	4/30/2019	get times and memory usage	looking for ways to graph the data	get complexity
Yhoan and Sebastián	5/5/2019	get complexity	looking for ways to graph the data	visualization
Yhoan and Sebastián	5/12/2019	visualization	looking for libraries to do an interface	interface
Yhoan and Sebastián	5/14/2019	conclusions	looking for libraries to do an interface	interface
Yhoan and Sebastián	5/14/2019	interface		upload code and report

History changes of code		
Version	Code	Status
1.0	Read graph	Done
1.0	Order Finde	Doing
2.0	Order Finde	Doing
3.0	Order Finde	Done
1.0	Write file	Done
1.0	getTargetDi	Done
